Further information and resources

For further information about fairness informed practice see the THINK: Fairness Informed Practice *(https://equallysafe.scld.org.uk/toolkit/think-fairness-informed-practice-1/)* section of the Equally Safe and Supported self-assessment toolkit.

To access additional resources that can help you to embed fairness informed practice in your everyday policies and practices, see the fairness informed practice part of our inclusive resources and signposting section *(https://equallysafe.scld.org.uk/toolkit/inclusive-resources-and-signposting-9/#rlslider_1)* .
